Reasons for excisions:

Not Applicable

**Summary of reasons
for classification:**

The computer image file printout *Bekah,Orewa004.jpg* is classified as:
Unrestricted.

The printout contains a photographic image that shows a girl posing informally, fully clothed. The image is the kind of snapshot that might be found in any family album. It raises no issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The publication must, therefore, be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
